Fiducian Annual Charity Golf Day & Dinner 29 April 2010

Last year the Fiducian Annual Charity Golf Day & Dinner raised over \$35,000 for last year's Rotary project "Youngcare". This year, Fiducian will be supporting two worthy charities, Home Hospice and Lou's Place:

- Home Hospice supports families and helps them to manage the trauma and relationships that surround families caring for terminally ill loved ones.
- Lou's Place, is a unique daytime drop in centre in Sydney for women and their children who are in crisis needing some medical, legal or counselling assistance as well as, life/job skills and referrals.

We are hopeful that every Rotarian will help in making the day a success as we work together to support these charities and make a difference in the lives of many.

The cost is \$220 per person or \$2090 for a table of 10 (includes round of golf). it also includes a three course gourmet dinner, lunch packs and drinks on and off the course and auction items.

What's for Lunch?

Main course: Braised lamb shank, sweetpotato mash, wilted English spinach with light mustard sauce

Salad: Chicken and walnut salad with seeded mustard dressing

Vegetarian: Roasted vegetable stack on tomato basil sauce, mesclun salad

Dessert: Fresh fruit salad and mango sorbet

Bill Gates Thanks Rotarians

In a video message to Rotarians, Bill Gates, co-chair of the Bill & Melinda Gates Foundation, thanked Rotarians for their hard work in the effort to eradicate polio and congratulated Rotary for surpassing the halfway point in meeting Rotary's US\$200 Million Challenge.

"The work you're doing to raise funds for the program is critical, especially given the tight government budgets and increasing costs for a very aggressive polio program," Gates said. "Your work as advocates is also very important. We need to keep this fight high on the world's list of priorities."

Rotary has been a leader in the fight against polio since the launch of the PolioPlus program in 1985.

Recently, the Gates Foundation awarded two grants totaling \$355 million to Rotary in support of its work in eradicating the disease. In response, Rotary pledged to raise \$200 million. To date, Rotary has raised \$117.5 million.
